<sup>1</sup>NAVPU as of Record Date for USD and PHP are 103.31 and 109.39, respectively.

**IMPORTANT:** Payment of income may reduce the NAVPU of the fund. The NAVPU also reflects the daily marking-to-market of the underlying investments of the fund. Payment of income will depend on the fund's income for the relevant period and will be distributed proportionately to eligible investors. This payment of income does not in any way guarantee or purport that further distributions will be made.

Unit Investment Trust Funds (UITFs) are NOT DEPOSIT products and are not an obligation of, or guaranteed, or insured by BPI Wealth or Bank of the Philippine Islands (BPI) or its affiliates or subsidiaries, and are not insured by the Philippine Deposit Insurance Corporation (PDIC). Due to the nature of the investment, yield and potential yields cannot be guaranteed. Any income or loss arising from market fluctuations and price volatility of securities held by a UITF, even if invested in government securities, is for the account of the investor/trustor. As such, units of participation of the investor/trustor in a UITF, when redeemed, may be worth more or be worth less than his/her initial participation/contribution. Historical performance, when presented, is purely for reference purposes and is not a guarantee of future results. BPI Wealth is not liable for losses, other than due to willful default, evident bad faith or gross negligence. Investors are advised to read the Declaration of Trust of the relevant UITF before deciding to invest.
