### **OUTLOOK AND STRATEGY**

**Market Review**. Infrastructure index improved as investors flocked to defensive stocks. Moreover, news about the Senate's approval on the amendments to the Public Service Act propelled telcos. Index-heavyweights AEV and TEL led the way.

Contributors for Infrastructure Index rally include:

- AEV (+10.90%),
- TEL (+7.86%)
- MER (+2.50%)

Fund Performance. The fund returned 2.96% in December, underperforming the Philippine Infrastructure Index by 36 bps.

**Fund Strategy**. The fund will continue to track the Philippine Infrastructure Index. We remain strategic long-term buyers of Philippine equities on the back of economic recovery, favoring quality names and position on cyclicals. We will continue to be nimble and take advantage on tactical opportunities.

#### LIST OF PROSPECTIVE INVESTMENTS

The following are among the Fund's approved investment outlets, wherein the Trustee intends to invest depending on strategy, availability, or other market-driven circumstances:

- a) Shares of stock of selected corporations which are already listed or being offered publicly and soon to be listed in the Philippine stock market.
- b) Primarily short-term tradable fixed-income instruments issued or guaranteed by the Philippine government or the BSP; exchange-listed securities; marketable instruments that are traded in an organized exchange; loans traded in an organized market; and such other tradable investment outlets/ categories as the BSP may allow. Provided, that, a financial instrument is regarded as tradable if two-way prices are quoted, readily available or regularly available from an exchange, dealer, broker, industry group, pricing service or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.
- c) Primarily short-term tradable fixed-income instruments issued, underwritten, or otherwise dealt by BPI and/or any of its subsidiaries, affiliates, their successors-in-interest or assignees, their directors, officers, stockholders, and related interest, and any of their trust and fund managed accounts, under such terms and conditions as the Trustee may deem to be in the best interest of the Fund; and any such other instruments as may be allowed under BSP regulations. Investment with related interests shall be in accordance with Subsection X410.12 (a) of the Manual of Regulations for Banks.
- d) Bank deposits or tradable debt instruments issued by the BSP.
- e) Such other investments allowed under regulations issued by the BSP.

The Fund shall be primarily invested in a diversified portfolio of equities listed at the Philippine Stock Exchange. Portfolio composition and weightings will be the same as that of the BPI Philippine Infrastructure Equity Index.
