INVESTMENT OBJECTIVE AND STRATEGY

The Fund intends to achieve total return through a combination of current income and long-term capital appreciation by investing in listed companies that have high dividend yields or have established a history of dividend payouts. The Fund aims to provide returns in excess of the return of the Philippine Stock Exchange Total Return Index (PSEi TRI).

CLIENT SUITABILITY

A client profiling process shall be performed prior to participating in the Fund to guide the prospective investor if the Fund is suited to his/her investment objectives and risk tolerance. Clients are advised to read the Declaration of Trust/Plan Rules of the Fund, which may be obtained from the Trustee, before deciding to invest.

The BPI Philippine High Dividend Equity Fund is suitable for investors who:

- Are at least classified as aggressive based on their risk profile
- Have an investment horizon of at least five (5) years

KEY RISKS AND RISK MANAGEMENT

You should not invest in this Fund if you do not understand or are not comfortable with the accompanying risks.

Equity Price Risk:	Investors are exposed to adverse changes in the prices of high dividend yield stocks listed in the Philippine Stock Exchange, which may be brought about by adverse stock market conditions, unfavorable company earnings and valuations and/ or negative developments in domestic and global political and economic conditions.
---------------------------	--

Liquidity Risk:	Investors are exposed to the risk of loss due to the fund's inability to convert equity holdings to cash immediately or in instances where conversion to cash is possible but at a highly disadvantageous price due to limited buyers/ sellers in the market, low trading volumes or market disruptions, among other reasons/ factors.
------------------------	--

Related Party Risk:	Investors are exposed to actual or potential conflicts of interest in the handling of related party transactions by the Trustee, specifically, time deposit placements with the Trustee's own bank and/ or its subsidiary, purchase of equity securities issued by related parties, as well as the execution of trade transactions with related counterparties.
----------------------------	---

In accordance with the provisions in the Declaration of Trust, the Fund employs a risk management policy based on duration. The Fund may also use financial derivatives to hedge the portfolio against market and credit risks

BENCHMARK INFORMATION

Name: The PSEi Total Return Index (PSEi TRI)

Date of Change: January 2, 2025

Description and Reason for Change: The Philippine Stock Exchange Index or PSEi is the main index of the Philippine Stock Exchange. The PSEi is a free float-adjusted market capitalization-weighted index of the 30 largest and most active common stock. The PSEi Total Return Index (PSEi TRI) covers both price performance and income from dividend payments by reinvesting cash dividends back to the PSEi according to each constituent's respective market capitalization weightings. The change in the fund's benchmark from PSEi to PSEi TRI is mainly to satisfy the characteristics of a valid benchmark for a UITF in the BSP Circular No. 1178, and to conform with the Global Investment Performance Standards (GIPS) requirement for firms to select an appropriate total return benchmark when available.

Information about the benchmark may be accessed through Philippine Stock Exchange <https://www.pse.com.ph/>. Alternatively, participants may request information from BPI Wealth at bpiwealth.com.ph.

OUTLOOK AND STRATEGY

Market Review. The Philippine Stock Exchange Index (PSEi) fell for the fourth straight month in October as the local bourse continued to be hounded by foreign selling. Market sentiment was dragged by persisting domestic political issues and increasing concerns on its impact on economic growth. Moreover, the Philippine peso weakened to the Php59 to dollar mark intra-month which added further to the risk-off sentiment. The PSEi dived to sub-6,000 or -0.4% to 5,929.68.

Trading activity was more muted in October as the Average Value Turnover notching Php5.00 billion, lower than previous month's Php 5.71 billion. In terms of foreign activity, foreigners were heavy sellers at US\$100 million, expanding the Year-to-Date figure to US\$750 million.

On a per stock basis, the top three index gainers for the month include: ICT (+12.38%), SMC (+12.07%) and MER (+10.38%). Meanwhile, the bottom three performers were: ALI (-18.28%), CBC (-17.58%) and PLUS (-17.03%).

Fund Performance. The Fund returned -1.20% in October, above its benchmark by 160 basis points. Year-to-date, the Fund registered a gain of 3.46%, above the benchmark by 1,006 basis points.

Fund Strategy. The Fund will continue to adopt a defensive stance amidst volatility from uncertainties on Fed Rate Decisions, Trump tariffs, geopolitics, and heightened local political risks. The Fund's preference is for companies with leading market capitalization, good fundamentals, dividend-paying and high-yielding.

LIST OF PROSPECTIVE INVESTMENTS

The following are among the Fund's approved investment outlets, wherein the Trustee intends to invest depending on strategy, availability, or other market-driven circumstances:

- (a) Shares of stock of selected corporations, including convertible preferred stocks, which are already listed or being offered publicly and soon to be listed in the Philippine stock market.
- (b) Primarily short-term tradable fixed-income instruments, issued or guaranteed by the Philippine government or the BSP; marketable instruments that are traded in an organized exchange; investment outlets/ categories the BSP allow. Provided, that, a financial instrument is regarded as tradable if quoted two-way prices are readily available and regularly available from an exchange, dealer, broker, industry group, pricing service or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.
- (c) Primarily short-term tradable fixed-income securities issued, underwritten, or otherwise dealt by BPI and/or any of its subsidiaries, affiliates, their successors-in-interest or assignees, their directors, officers, stockholders, and related interest, and any of their trust and fund managed accounts, under such terms and conditions as the Trustee may deem to be in the best interest of the Fund or any such instrument as may be allowed under BSP regulations.
- (d) Investment with related interests shall be in accordance with Subsection UX 410.12 (a) of the Manual of Regulations for Banks and Other Financial Institutions.
- (e) Bank deposits, BSP special deposit account or tradable debt instruments issued by the BSP.
- (f) Such other investments allowed under regulations issued by the BSP.
