The pooled investments consist of either Unit Investment Trust Funds (UITF) or mutual funds, which are described as follows:

- A UITF is regulated by the Bangko Sentral ng Pilipinas (BSP). It is an open-end pooled trust fund operated and administered by a trust entity, such as BPI Wealth – A Trust Corporation (BPI Wealth), in accordance with the BSP-approved Plan Rules or Declaration of Trust.
- A mutual fund is an open-end investment company registered with the Securities and Exchange Commission (SEC) that pools the funds of investors to form an asset base to be invested in a diversified portfolio of security investments. The assets of a mutual fund are managed by a SEC-licensed fund manager, such as BPI Wealth, and distributed by SEC-licensed mutual fund distributors.

Due to the nature of the investments, yield and potential yields cannot be guaranteed. Any income or loss arising from market fluctuations and price volatility of securities held by a UITF or a mutual fund, even if invested in government securities and high-grade prime investment outlets, is for your account as investor. As such, your shares or units of participation in a UITF or a mutual fund, when redeemed, may be worth more or less than your initial participation/contribution. Historical performance, when presented, is purely for reference purposes only and is not a guarantee of future results. BPI Wealth is not liable for losses, except in cases of willful misconduct or gross negligence. Before deciding to invest, you (as investor) are advised to read the Declaration of Trust or Plan Rules of the relevant UITF or the Prospectus of the relevant mutual fund.

UITFS AND MUTUAL FUNDS ARE NOT DEPOSIT PRODUCTS AND ARE NOT INSURED BY THE PHILIPPINE DEPOSIT INSURANCE CORPORATION (PDIC). EARNINGS ARE NOT ASSURED AND THE PRINCIPAL AMOUNT INVESTED IS EXPOSED TO THE RISK OF LOSS. THESE PRODUCTS CANNOT BE SOLD TO YOU UNLESS THE BENEFITS AND RISKS HAVE BEEN THOROUGHLY EXPLAINED. The pooled investments consist of either Unit Investment Trust Funds (UITF) or mutual funds, which are described as follows:

- A UITF is regulated by the Bangko Sentral ng Pilipinas (BSP). It is an open-end pooled trust fund operated and administered by a trust entity, such as BPI Wealth – A Trust Corporation (BPI Wealth), in accordance with the BSP-approved Plan Rules or Declaration of Trust.
- A mutual fund is an open-end investment company registered with the Securities and Exchange Commission (SEC) that pools the funds of investors to form an asset base to be invested in a diversified portfolio of security investments. The assets of a mutual fund are managed by a SEC-licensed fund manager, such as BPI Wealth, and distributed by SEC-licensed mutual fund distributors.

Due to the nature of the investments, yield and potential yields cannot be guaranteed. Any income or loss arising from market fluctuations and price volatility of securities held by a UITF or a mutual fund, even if invested in government securities and high-grade prime investment outlets, is for your account as investor. As such, your shares or units of participation in a UITF or a mutual fund, when redeemed, may be worth more or less than your initial participation/contribution. Historical performance, when presented, is purely for reference purposes only and is not a guarantee of future results. BPI Wealth is not liable for losses, except in cases of willful misconduct or gross negligence. Before deciding to invest, you (as investor) are advised to read the Declaration of Trust or Plan Rules of the relevant UITF or the Prospectus of the relevant mutual fund.
